

What do you pray for?

What are some situations you've prayed for that didn't end the way you'd hoped?

Does God answer prayer?

Do you think sometimes God says no?

If God's gonna do what God's gonna do, then why pray?

Do you believe God has invited you to take part in creation?

If so, what does that mean in your day-to-day life?

"Don't ask God to feed the hungry if you have plenty of food."

Are you angry with God about something that's happened in your life?

Do you tell friends and family what you're feeling but not God?

Is there a role God is calling you to play in a situation you're struggling with right now?

Is prayer about changing you or about changing what's happening?
