The NTFB has been serving the hunger needs of North Texas for 40 years. While the hunger landscape has changed over the years, one constant has been the importance of community partnerships and collaboration that make our work not just possible, but more impactful. 96 million meals were provided to kids, seniors, and families in need in FY20. More than 34 million pounds of fresh produce were distributed last year. Food insecurity needs continue to be great. **This was our planned PACE Class “hands-on” activity for August 2021. However, it may have to be postponed until an open date at NTFB can be found.**

The mission of the Assisted Living Ministry is to share the love of God and for one another with church members and neighbors who are residents of a “continuum of care” in our community. Current research indicates the reality in our society of loneliness/social isolation and the unravelling of communities that hold us together and keep us healthy. This situation points to the crucial role of the church in addressing the “epidemic of loneliness.”

Fulfilling the Call to Missions

“Whoever gives one of these little ones even a cup of cold water because he is a disciple, truly, I say to you, he will by no means lose his reward” (v. 42).

- Matthew 10:40–42

Fundamental to the New Testament’s teaching is that all believers have an important part to play in the extension of the kingdom of God.

The body of Christ is made up of a variety of people who possess a variety of gifts (1 Cor. 12:12–31)

The church’s task cannot be accomplished by one individual; all of us must work together to advance the Lord’s mission.

All who work to achieve the ends for which our Father has created His church will be rewarded, no matter the particular part they play in the kingdom’s advance.
